**FIRST ANNOUNCEMENT AND CALL FOR PAPERS**

It is a great pleasure to invite you to the **5th international Climate Change, Economic Development, Environment and People Conference (CCEDEP)** of the Alliance of Central-Eastern European Universities (ACEU). During the past years, CCEDEP conference has been organised in Serbia, Slovakia, Montenegro and in Bulgaria and has gained a momentum as a platform where experts can present research and exchange knowledge and information regarding various environment and development-related topics.

This year's conference will be organised by Faculty of Economic Science at the Kaposvár University, Hungary, in **May 7-8, 2015**. The conference will be jointly organized with the **5th International Conference of Economic Sciences on Sharing Economy**. The **sharing economy** (also referred to as collaborative economy, collaborative consumption) is a socio-economic system built around the sharing of human and physical resources. It includes the shared creation, production, distribution, trade and consumption of goods and services by different people and organisations. This has strong relations with sustainability and the more efficient

and sustainable use of our ecosystems. It seeks to create more efficient and resilient communities and economies as we move into a period of increasing interconnectedness.

The CCEDEP conference will gather experts and researchers from the fields of the collaborative economy, knowledge economy, green economy, climate change, environmental management, regional and rural development, energy, sustainable development and ecosystem services. Contributions from the relevant conference themes can be disciplinary, multidisciplinary or interdisciplinary character. It is expected that this conference will foster discussion and collaboration regarding those topics on the European and global level.

Detailed information regarding the conference is provided on the conference website <http://ecs.ke.hu> , if you have any additional queries, please do not hesitate to contact us via the official conference mail [ecs@ke.hu](mailto:ecs@ke.hu) or other contacts provided in the Conference Call.
