

REGISTRATION FEE

Regular Participation

70 € before 10 September 2015.
90 € after 10 September 2015

Students Participation

For master and doctorant students
40 €, before September 10, 2015
60 €, after September 10, 2015

CALL FOR PAPERS

First Call: 10 February 2015
Second Call 10 April 2015

ABSTRACT SUBMISSION DEADLINE

15 July 2015

NOTIFICATION ACCEPTANCE

10 September 2015

FULL MANUSCRIPT SUBMISSION DEADLINE

20 September 2015

Shkodra, founded 2500 year ago, is located in the plain of Shkodra, between the Albanian Alps and Adriatic sea. Lying by the side of the lake, at the foot of “Rozafa” castle, and surrounded by Buna, Drini and Kiri rivers, Shkodra exhibit a rare natural beauty.

Shkodra is a cultural city, too, with a lots of museums, cultural monuments, architectural monuments, characteristics houses and roads .

3rd International Conference “Research and Education in Natural Sciences”

Harmonization of Environmental Research and Teaching with Sustainable Policy

3rd International Conference “Research and Education in Natural Sciences” this time is focused on “Harmonization of Environmental Research and Teaching with Sustainable Policy”.

The conference will be held in Shkodra, Albania, it will bring together researcher and teacher of natural sciences to present the results of their research, to discuss the methodologies of teaching natural sciences in all school level and to share sustainable policy for environment.

Young researcher in the topics that conference will cover and young teachers of natural sciences are encouraged to participate in the conference in the young research section. There will be a competition among the young researcher for best oral presentation and best poster.

CONFERENCE PROGRAM

Conference program will include: keynote speech, oral presentation, poster presentation, young researcher meeting, and post-conference tour.

IMPORTANT NOTES:

Selected papers will be published :

Journal of Environmental Protection and Ecology (JEPE). ISSN 1311-5065, ISI quoted.

Publication fee: 100 € to be paid during the conference (50 € BENA Membership and 50 € publication contribution).

Scientific Bulletin of Shkodra University

ISSN: 2221 - 6847

Free publication.

Conference topics

Researches in natural sciences

- Mathematics, Physics and statistics
- Chemistry and Biology
- Informatics and information systems

Ecology of Air, Soil and Water

- Marine and Fresh Water quality-Fishery
- Air, water, soil pollution
- Biomonitoring
- Climate change and environmental dynamics
- Ecotourism and ecological impact of tourism
- Solid waste management
- Water quality
- Environmental changes

Environmental management

- Environmental management and sustainability
- Natural resources and management
- Natural and cultural heritage and management
- Forest and natural resource management
- Marine and Fresh Waters
- Coastal zones

Didactics of natural sciences in school

- Didactics of Mathematics, Physics, Chemistry, Biology, Informatics
- Environmental and health education
- ICT in science education

Health and safety environment

- Public health. health management
- Nutrition and food safety
- Health and Environment pollution
- Mental health, Challenges and perspectives
- Innovation in nursing management
- Research and innovation in nurses education
